## **ROSSO VENETO IGT "C&G" PASSITO**

This wine is obtained by the drying process of typical varieties coming from Verona that are chosen by Cristian and Giammaria Sartori according to their wine experience. It's symbol of youth and freshness and for this reason, it is a good convivial and meditative wine.

On the palate it is elegant with scents of black cherry, vanilla, chocolate and red pepper; thanks to its aromatic notes, it's ideal with roast, grilled meat, spicy cheese and dried biscuits.

We recommend to serve it at 18-20°C in large crystal glasses.

Alcohol 16%
